ABOUT THE RESULTS OF HIGH TECHNOLOGY PARK in 2021

Technology and Innovation Support Center

- registration of patents
- patent search

Regional operator of the Skolkovo Foundation

- tax benefits
- grants up to 300 mln rubles
- international markets

Regional Representative of the Foundation for Assistance to Small Innovative Enterprises

- grants up to 30 mln rubles
- support of projects of young scientists

Regional Competence Center for Labor Productivity

- expert support of enterprises
- training of employees in lean manufacturing

Regional Center for Engineering and Cluster Development

- conducting research
- certification of goods and services

ТЕХНОПАРК ЮГРЫ

- Expertise of project initiatives
- Creating prototypes and 3D-models
- Promotion and market launch
- Obtaining business competence
- Rental of premises

/ **ACTIVITIES WITH SCHOOLCHILDREN**

IX COMPETITION “UGRA YOUNG INVENTOR”

19/11/2021

41 PROJECTS

4 NOMINATIONS

- innovative idea
- innovative project
- innovative product
- robotics

60 PARTICIPANTS
from 16 municipalities

12 WINNERS
of final stage
of the competition

**INVOLVEMENT OF
SCHOOLCHILDREN**
IN INNOVATIVE ACTIVITIES

EXCURSIONS
to the residents' laboratories

TRAININGS
for the application of lean
manufacturing tools

XI COMPETITION UNDER THE
“**UMNIK**” PROGRAM

25-26/11/2021

5 UNIVERSITIES

32 PARTICIPANTS
students, postgraduates
and young scientists of Ugra

9 WINNERS
received grants in the
amount of 500,000 rubles

ROLE-PLAYING GAME
OF ENTREPRENEURIAL COMPETENCIES

BUILD A COMPANY / SELL A COMPANY

28/10/2021

PARTICIPANTS
universities, startups, corporations

GOAL
mastering the mechanics
of technological entrepreneurship

RESULTS
obtaining business competencies in the field
of technological entrepreneurship

/ ACTIVITIES WITH SMALL AND MEDIUM-SIZED INNOVATIVE COMPANIES

66 RESIDENT COMPANIES
OF TECHNOLOGY PARK

ASSISTANCE IN ATTRACTING INVESTMENTS

OOO "MAS-SERVICE KHM" (LLC)

grant of 20 mln rubles
under the Commercialization program

OOO "SIRIN" (LLC)

grant of 3 mln rubles
under the Start program
100 000 rubles
under HSE FEST 2021

OOO "LIMATECH" (LLC)

grant of 3 mln rubles
under the Start program

OOO "SOFTNEONATAL" (LLC)

grant of 2 mln rubles
under the Start program

OOO "BIOSCAN" (LLC)

award of the Yuri Luzhkov Foundation
in the amount of **250 000 rubles**

/ **ACTIVITIES WITH LARGE BUSINESS**

IMPLEMENTATION OF THE NATIONAL PROJECT

"LABOR PRODUCTIVITY"

at the enterprises
of Ugra in 2021

132 % increase in production
in pilot streams

42 % average reduction
in process time

33 % reduction of work
in progress

66 EMPLOYEES
were trained in lean
manufacturing tools

10 ENTERPRISES
have implemented the project in 2021

6

with the support
of Regional Competence Center
for Labor Productivity

4

with the support of Federal
Competence Center
for Labor Productivity

24 ENTERPRISES
have implemented the project
for the entire period
