«SMART PERSON»

October 29-
30, 2020

5 Universities

38 participants
students, postgraduates
and young scientists
from Ugra Universities
24/2019

6 finalists
received grants in the
amount of 3 million rubles

1 winner
created a small
innovative enterprise

ACCELERATOR OF TECHNOLOGICAL STARTUPS "e2-e4"

EXPERTS

Leading coaches and experts
of the country

GEOGRAPHY

KhMAO-Ugra, Tyumen region,
Republic of Bashkortostan,
Moscow region

8 FINALISTS

out of 69 participants of
the accelerator

SUCCESS OF THE FINALISTS during the Acceleration Program:

- The invention of **LLC "NVF "BIOSCAN"** was included in the "100 best inventions of Russia" according to Rospatent
- **LLC "MAS-Service XM"** increased sales by 65 % and entered the foreign market
- **LLC "SPC "YUMAN"** has concluded major contracts, including with the retail network «**METRO Cash&Carry**»
- **The Group of Companies "INTECH"** has prepared a project for pilot-industrial testing in PJSC "Tatneft" and is negotiating with PJSC "Varioganneft"
- **LLC "V-FORM"** has developed 2 prototypes of individual postamats «**I-SmartBox**»
- **LLC "Siberion"** has received a patent for a tank controller «**STEEL CONTROL**»
- **LLC "Visitek"** in cooperation with Winki has developed a new IT product "Antipandemia"

NEW RESIDENTS

ANCHOR RESIDENT

Gazpromneft– Technological Partnerships LLC

"Technology of development of hard-to-recover hydrocarbons"

The volume of planned investments
25 billion rubles until 2025

PROSPECTS FOR COOPERATION:

- Placed on the site of the Technopark
- Formation of a system of interaction with the residents of the Technopark of the Transfer of OIL and service services, including a single expert evaluation of the project and the creation of conditions for the president to conduct research and development

Ji-TEK LLC

"Universal modular heat and power complex of APG utilization"

A complex for the utilization of associated petroleum gas with an automated process control system that provides an automatic operation mode

Partners: PJSC Gazpromneft (TGKA heat generators are installed on the Palyanovskaya square of the Krasnoleninsky field)

Softneonatal LLC

"The workplace of a neonatologist - Mytpn"

Software that allows you to automate the work of neonatologists: reduce time costs, reduce the influence of the human factor in the formation of the prescribing list and determining the dosages of the composition of drugs

Partners: OKB G. Khanty-Mansiysk, CRH of Belayarsky

NEW RESIDENTS

YUVL Robotics-Ugra LLC

"Automation of warehouse and transport logistics using drones"

The complex of autonomous scanning of commodity stocks for carrying out planned and cyclic inventories at the sites of oil producing and logistics companies using drones

Partners: PJSC Gazpromneft, PepsiCo, Toyota, FMLogistics, etc.

Sirin LLC

"Smart camera"

A multifunctional device based on an IP camera that allows you to record, analyze and store a large video stream using a neural network and a smart cloud

Investments in the amount of 5 million rubles were attracted.

Partners: Rostelecom PJSC, Rostec State Corporation

Siberion LLC

"Development of the tank simulator
"Steelcontrol"

A complex of peripheral devices that simulate a real tank control system by a gunner operator

Partners: DART HOLDING LLC, LLC "MICROLIT", LLC "Polymagnit", PROMEX LLC, Bearing-Service LLC, Slantsevskiyzavod of Springs LLC, LLC "TRONITEK", CJSC "CHIP and DIP", LLC "Boris88"

ACHIEVEMENTS OF RESIDENTS

MAS-Service XM LLC

Export contract with Belorusneft, hydraulic fracturing control in remote mode

YUVL Robotics-Ugra LLC

Successful testing of drones at the warehouses of PJSC Gazpromneft

NVF Bioscan LLC

Accelerator Graduate, TOP-100 best inventions of Russia

SPHAGNUM LLC

The grant is 2 million rubles according to the "START-1" program

Softneonatal LLC

The grant is 2 million rubles according to the "START-1" program

KEY PERFORMANCE INDICATORS (KPI)

indicator		plan 2020	fact 2020	plan 2021	plan 2022	plan 2023
	Number of residents, units	50	54	60	64	68
	Number of participants of the Skolkovo Foundation project, units	3	3	6	6	7
	The volume of products sold by residents, million rubles	464	330	353	405	470
	The number of newly created jobs by residents, units	48	82	88	89	89
	The volume of tax and customs payments to budgets of all levels, million rubles	68	23	24	43	69
	The volume of attracted investments by residents, million rubles	15	23	24	25	28
	The number of conformity documents received by enterprises for manufactured products (certificates, declarations), units	4	5	6	6	7
